From the author of *Mastering the Marquess* comes another blazingly provocative Regency romance! Revenge may be a dish best served cold, but in this clash of wills, lust is a feast for the senses. After her dreams of wedding bells are dashed by a man she thought had serious intentions, Miss Angela Ripon must be satisfied. She plans to make him burn for her, and then to reject him as he rejected her. There's only one woman who can teach Angela that sort of seduction: Madame Rouge—or Ruby, to the men who frequent her house of pleasure. The infamous madam agrees to help, but only after warning Angela that her target has very specific tastes. To trap her prey, she must shed every last inhibition. Matthew Harkness, Earl of Colton, doesn't mean to hurt the young admirers who flock to him. He simply isn't interested in women who are too timid for his dark desires. He judged Angela to be like the others—tender, sweet, and innocent. So how to explain the change that has come over her? Matthew aches to teach Angela all he knows of earthly pleasures. But even as she offers the control he craves, perhaps this angelic beauty has a lesson or two to teach him. *Angel in Scarlet* is intended for mature audiences. This ebook includes an excerpt from another Loveswept title.
