HUNGRY EBOOKS 2019

Author: Lindsey Bareham

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Lindsey Bareham wrote this book when her son Zach first went to university and wanted to take some of her recipes with him. It has since been the book of choice for students and beginners everywhere. Full of simple, unpatronising, no nonsense recipes that really hit the spot, it is a brilliant first cookbook for people of any age but particularly for students who may not have the money or inclination to cook but still want really good food.
