This is a historical erotic short story (word count 4,347). Lucy had no clue how her life would drastically change when her path crossed dramatically with a mysterious gentlemen she soon comes to know as Lord Justice. Being fiercely independent, Lucy is very protective of her freedom and desires to be beholden to no one, especially not a fancy gentleman like Lord Justice with his arrogant, self-assured manner! Which makes matters all the more complicated when Lord Justice makes it clear to Lucy that he is determined to take her and make her his. But no matter how much Lucy wants to run away from his pursuit of her, she cannot deny that Lord Justice has a strong and unexpected hold over her. Does she dare now to yield to him and accept the pleasure and happiness that Lord Justice is eager to give her?!
